Welcome to the summer edition of Art Rotterdam 2021

Thursday 1 – Sunday 4 July
Van Nellefabriek, Rotterdam

The 22nd edition of Art Rotterdam is once again the meeting place for art lovers. In the inspiring context of the UNESCO-listed Van Nellefabriek, you can experience, discover and purchase new works of art. With a floor area of more than 10,000 m², over 100 galleries are showcasing the work of up-and-coming and established artists. For this summer edition, there is lots to experience outdoors in the grounds around the building. In addition to large-scale works of art and installations, there are several food trucks with drinks & bites.

Prospects

For the ninth year in a row, the Mondriaan Fund is organising the Prospects exhibition at the Van Nellefabriek during Art Rotterdam. For the first time, it will feature an extra extension in the Schiehal, opposite the entrance of Art Rotterdam. The exhibition showcases the work of 75 visual artists who received financial support from the Mondriaan Fund to jump-start their career.
